# CROSSOVER

**Crossover is a revolutionary product engineered *exclusively* for commercial use. Washers are designed to last 15,000+ cycles—more than double the life of appliance-type top load and front load washers made for home use.**

- ✓ **Designed for three liquid chemical connections with clean pump signals.**
- ✓ **No oversudsing! Crossover will complete the cycle.**
- ✓ **CrossBalance technology keeps loads balanced.**
- ✓ **Built tough with top quality SKF bearings, triple seals, solid steel counterweights, and 8-point suspension system.**
- ✓ **All Crossover machines are soft-mount with pump drain for easy installation.**

Replace your appliance-type front loaders and top loaders with a true commercial laundry system from Wascomat.
